SUBJECT

Authorize the purchase of four surveillance camera trailers for Police – Comprehensive Communications Services, LLC through the Department of Information Resources - Not to exceed \$154,970 - Financing: U. S. Department of Homeland Security Grant Funds

BACKGROUND

This purchase will provide four emergency response surveillance camera trailers for Police in support of Public Safety needs within the City. Police will utilize these trailers for special event and to provide coverage to areas without existing video coverage which present crime and/or quality of life issues. The trailers are designed specifically for mobile video surveillance with 360 degree viewing capability and a 30 foot mast system. The trailers are all metal, single axle and bumper pull with four outriggers. The design allows the City to easily deploy the units anywhere video surveillance is needed.

The trailer design includes a locking cabinet for a high capacity battery and recording equipment storage. Multiple cameras can be installed on the 30 foot mast system. A 4G broadband card, mesh link and ONISSI software supplies the network connectivity for real time monitoring by Police.

The Department of Information Resources conforms to the requirements of Texas Statutes that are applicable for competitive bids and proposals, in accordance with the Interlocal Cooperation Act, Chapter 791, Texas Government Code. In addition, The Department of Information Resources receives bids from manufacturers and dealers throughout the United States
